

On Thursday, May 18, Feeding Charlotte will host our third annual **“Coffee and Conversation”** fundraiser.

This event will be a fun and interactive discussion about the critical need to rescue surplus, freshly prepared meals to reduce food waste and feed the hungry. Guests will gain powerful insights into Feeding Charlotte's mission and programming, including why this work is so important, how it is done, and the impact we are making in our community.

Dr. Shenique Carmichael, Founder and President of Leah's Hopes and Dream (LHD), is one of our food recipient partners who will share how her organization can consistently distribute food to homeless communities through partnership with Feeding Charlotte.

Coffee and pastries will be served and guests will have the opportunity to network with other leaders interested in creative solutions to issues facing the Charlotte community.

Since 2019, Feeding Charlotte has prevented over **200,000 lbs. of fresh, nutritious food** from entering the landfill by redirecting it to feed Charlotte's food-insecure residents.

In 2023, we hope to rescue 100,000 lbs. of fresh food by expanding our food donor partnerships. We can accomplish this with YOUR help!

Please consider sponsoring 2023's “Coffee and Conversation.” Sponsors directly help Feeding Charlotte turn excess food into access by providing program and operational funds

needed to connect excess food with hungry neighbors. Your support continues the delivery of leftover meals to those affected by food insecurity right here in Charlotte.

SPONSORSHIP Donation Form
